

Bumpkinville

A 1990s tour de farce

A mashup of *A Confederacy of Dunces* and the *Adrian Mole* book series, *Bumpkinville* is a brief but lively satirical romp of corporate life and pop culture in the 1990s. It tells the rags-to-riches story of Dormant Brouxall, who incredibly transforms from an ex-con to a country music superstar. Featuring songs, diary entries, corporate newsletters, interoffice memos and live TV show excerpts, the irreverent lampoonery is sure to make you smile!

Joining Dormant on his journey are Jed Burpin, Jack McBlight and Thelma Carriage, along with zany cameos from such real-life and fictitious personalities as Elvis, “Butters” the Wild Turkey, Senator Claude Delroy, Prince Onomastiko, Rufus Sniveler, Beatrice Ponder-Nozzium, Larry King and King Kong!
